The 1946 Clairian

Editor-in-Chief ANNA MARIE CUMMINGS

Business Manager ANDREW PUSHCAROVICH

*"Praise the Power that hath made
and preserved us a nation."*

Foreword . . .

The world has just emerged from the most devastating war in its history. Our emergence, as victors, can be traced to our Power as a Nation. America's Military and Industrial might have once more swung the pendulum of Victory to Democracy. To turn that Power, to win everlasting Peace, is a problem as great as that of winning the war. To this end we dedicate our school and ourselves.

Our school was swiftly converted to war. Now our reconversion must be as rapid. We must stress our Power in leadership, in activities, athletics, and in our curricular and extra curricular lives. We must not let our Nation lose that Power. Power that made us from 13 struggling colonies to the mightiest Nation in the world. Now we must use it to lead the world into that Era of Peace, Prosperity, and Tolerance that God visualized when he gave Man dominion over all the Earth.

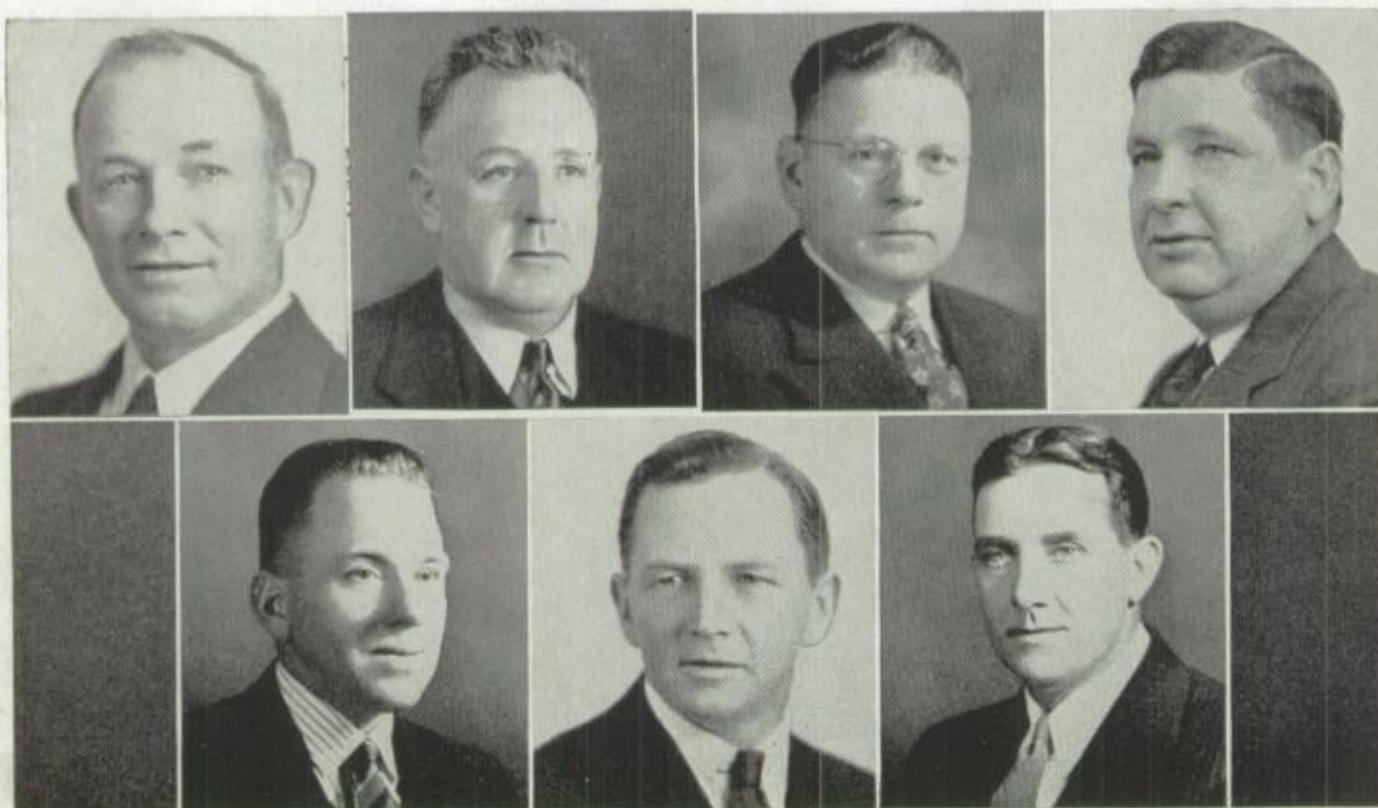

To the glory of Everlasting Peace . . .

We, the Senior Class of 1946, humbly dedicate this book. They, whose blood won us this Peace, asked neither prize nor acclaim. Their only thought was that this Peace they fought for would be used to make the better world they died to build. To this ideal of faith, we dedicate our Clairian and ourselves.

Power in Leadership . . .

To our School Board goes our heartfelt thanks. To provide us with our fine, modern school system they have labored unselfishly and devotedly in our interests. Always looking ahead, they are now planning further advances in our school life, by the erection of an athletic field—long one of our most urgent needs.

Gentlemen, your whole interest is our welfare; we hope to repay you by becoming the type citizen that will reflect your efforts in our behalf. Again the class of '46 extends its heartiest thanks to you.

In the Post-War World, in the Atomic Age, we are even more forcibly reminded that Peace can be maintained only by means of a more sincere, more understanding and more effective type of personal, national and international citizenship.

When they step out into the World of Today, Seniors should remember the principles of Democracy, Tolerance, Loyalty, Patriotism and Fidelity that they have been taught in their school career. By sincere adherence to these basic principles they can help to Win the Peace.

Faculty . . .

A ship without a competent pilot would flounder in a heavy sea. A nation without competent leaders would soon be absorbed by a stronger power. A school without a competent faculty would never produce the leaders that every nation needs.

To our faculty we send our thanks. They have given freely of their time, knowledge and talents as leaders of today to develop us into leaders of tomorrow. As we stand on the threshold of that new era of days to come, we feel assured of success due to their perseverance and care in our preparation.

To tread the road of Peace will require a different set of ideas and ideals than was our lot for the last four years. To this transition, our faculty has adapted our courses to our needs. We know that the assimilation of this guidance will grant us strength to meet the challenge that future years may bring.

Class Motto: "Live to Learn and Learn to Live"

Class Flower: Tea Rose

Class Colors: Maroon and Grey

Advisors: Miss Esther Botzer and Mr. John Reese

The Class of 1946 . . .

Preparing to leave St. Clair High School, fondly review their undertakings and achievements which have made this class outstanding.

As Freshmen, we began our high school career with our country at war. A spirit of patriotism was aroused and class members participated in War Savings and Salvage Drives.

In our Sophomore year we welcomed a group of students from the townships. Many of our members distinguished themselves in the field of Athletics. Then we began to worry whether we "sophisticated" Sophomores could become the "lordly" Juniors.

Our Junior year was one of our most exciting years. We sponsored the traditional Prom, and it proved to be a very gala event. Another thrill—the arrival of our class rings.

At last we were Seniors. The many difficult works of our Senior year were undertaken with much enthusiasm. A Senior Hop was sponsored, and with the cooperation of our class members, it was voted the most enjoyable affair of the season.

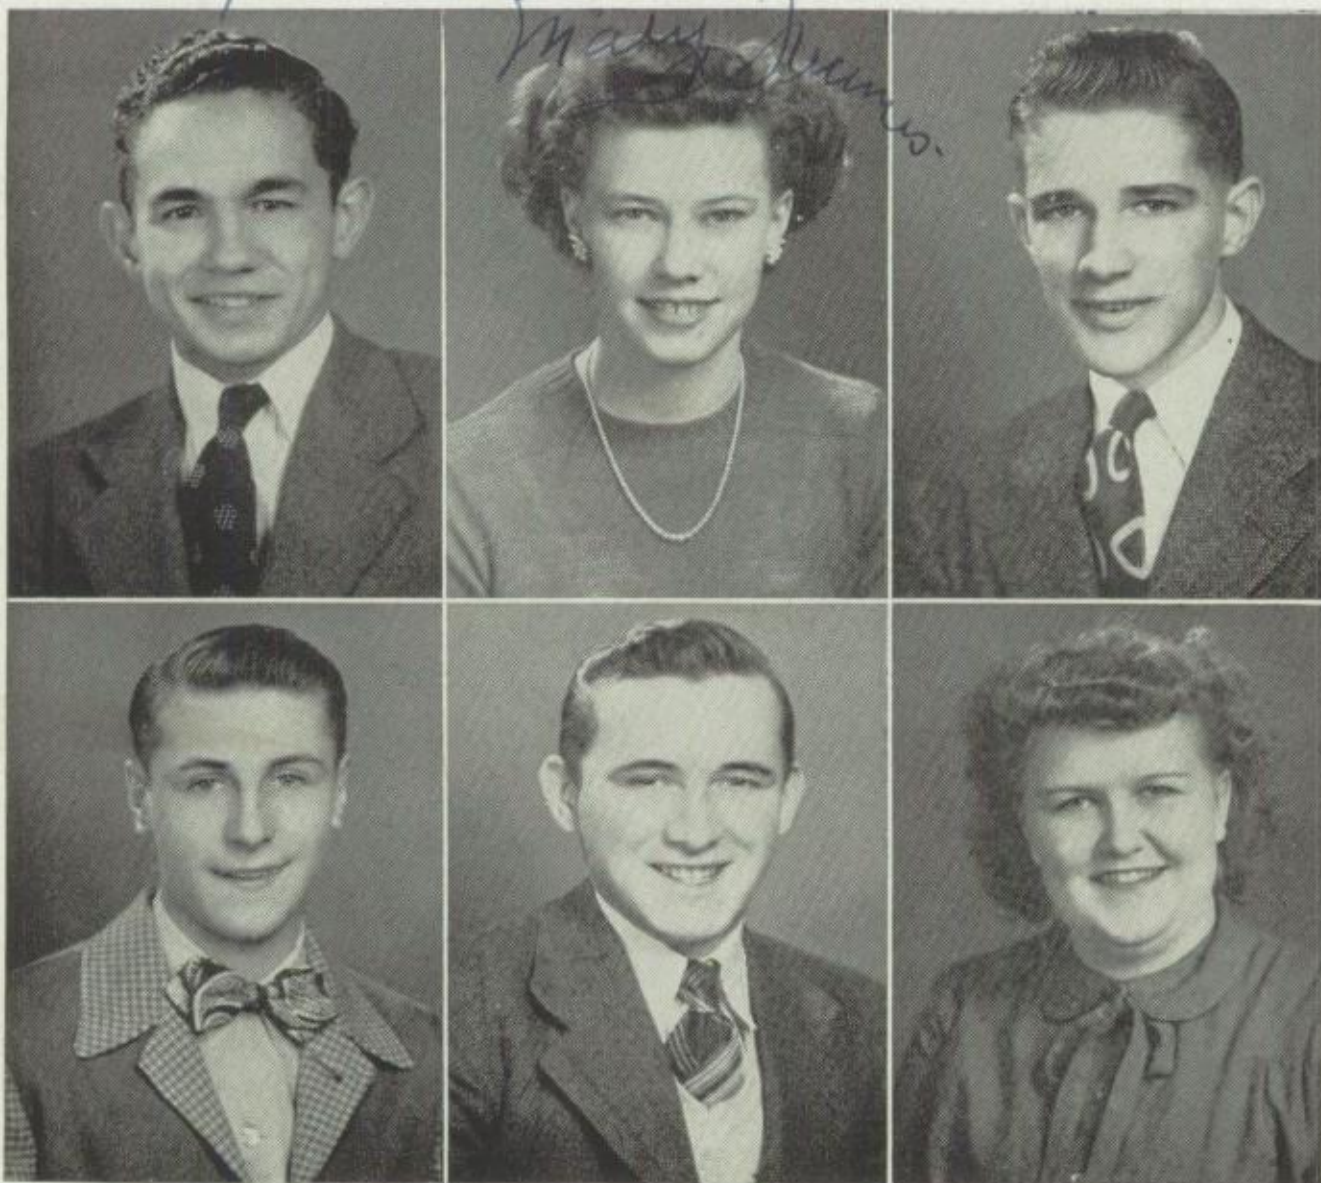

Under the excellent guidance of our class advisors, Miss Botzer and Mr. Reese, who afforded us valuable assistance, our tasks were accomplished.

We will aspire to succeed as well in our individual attempts as we have done as a class in St. Clair High School. Our motto, "Live to Learn and Learn to Live," will serve as a guide on our journey through life.

Our President

*Good luck to a swell friend. All the success
in future years.*

In all activities he does his part*

Andy is a jolly person among his friends. He is a willing worker, taking part in many school activities. His interest in class work signifies that he is ambitious for the better things of life. His quietness and attentiveness have gained him a close circle of friends.

Academic Course; Alpha Delta Pi 3-4; Vice President of Class 4; Glee Club 3-4; Business Manager of the Clairian.

ANN AUDREY QUIRIN

"AUDREY"

*"Always cheerful everyday,
Always sweet in every way"*

Commercial Course; Secretary, Business Training Club 3-4; Literary Staff; Glee Club 2-3-4.

JOHN STEPHENS REESE

"JACK"

"Still waters run deep"

Jack is an accomplished pianist and thespian and is much in demand at our school plays. He is scientifically minded, and we have heard he intends to make science his life work.

Academic Course; Glee Club 1-2; Alpha Delta Pi 4.

FENTON RESAVAGE

"DAVEY"

*"I would on deeds, not words, be fed;
Deeds will live when words are dead"*

Academic Course; Glee Club 4; Alpha Delta Pi 3-4; Vice President of Class 3; President of Class 4; Prom Committee; Literary Staff; Football 3-4; Baseball 2-3-4.

DONALD ROBERTSON

"RED"

"You can't tell a book by its cover"

Donald is one whose looks belie his personality. Quiet and shy he seems, but he is full of fun and is a favorite with his schoolmates. "Red" is learning the grocery business in his after school hours.

Academic Course.

JOSEPH ROMANKO

"JOE"

"True Sportsmanship is true Americanism"

Joe is a potential "Major Leaguer." His baseball pitching record speaks for itself and we feel his path to the big time will be paved with strike-outs. His legion of friends hope to see his ambition come true.

Academic Course; Football 3-4; Baseball 1-2-3-4; Alpha Delta Pi 4.

*Here's wishing
all your dreams
come true.
Betty*

ANTHONY ROMANS

"SLIM"

"And must I work; Oh! What a waste of time"

"Slim" is the tallest member of our class. His interests run from sports—basketball, fishing, and especially hunting—to playing classical music on the piano. He used his height to great advantage last year to aid the basketball J.V.'s in winning the league crown.

Academic Course; Band 1; Basketball 2-3.

ELIZABETH RUBRIGHT

"BETTY"

*"A meek little damsel whom we never see fret,
Her friends stick with her, you can just bet."*

The old adage that good things come in small packages seems literally true with Betty. Although the smallest member of the class, she has carried her share of its burdens and aided greatly in its pleasures.

General Course; Glee Club 4; Business Staff.

JOHN F. SAKMARI

"JACKIE"

"Let me dance away the night"

Tall, well dressed, and nice to know is "Jackie." An excellent artist, singer, and dancer and much in demand for plays and pageants. As Drum Major, he has handled that post well and we feel he will lead lifes' parade as smartly as he led our band.

Academic Course; Drum Major 3-4; Literary Staff; Glee Club 3-4; Prom Committee; Treasurer of Class 2.

JOHN SALATA

"JEEP"

"Action, not speech, proves the man"

John is the care-free boy of the senior class. Studies are the least of his worries. He is often seen riding about in a big maroon car, in which he makes frequent trips to Minersville. It seems that his pleasing nature has gained him a place in the memories of his friends.

Academic Course; Alpha Delta Pi 4.

EUGENE J. SALEM

"EUGENE"

"Happy is he who is content"

The proverb, "Don't judge a book by its cover," holds true for Eugene. Although he is often taken for a quiet bashful boy, he is, on the contrary, very happy-go-lucky. Eugene has little interest in the opposite sex although he often teases them.

Academic Course; Alpha Delta Pi 4.

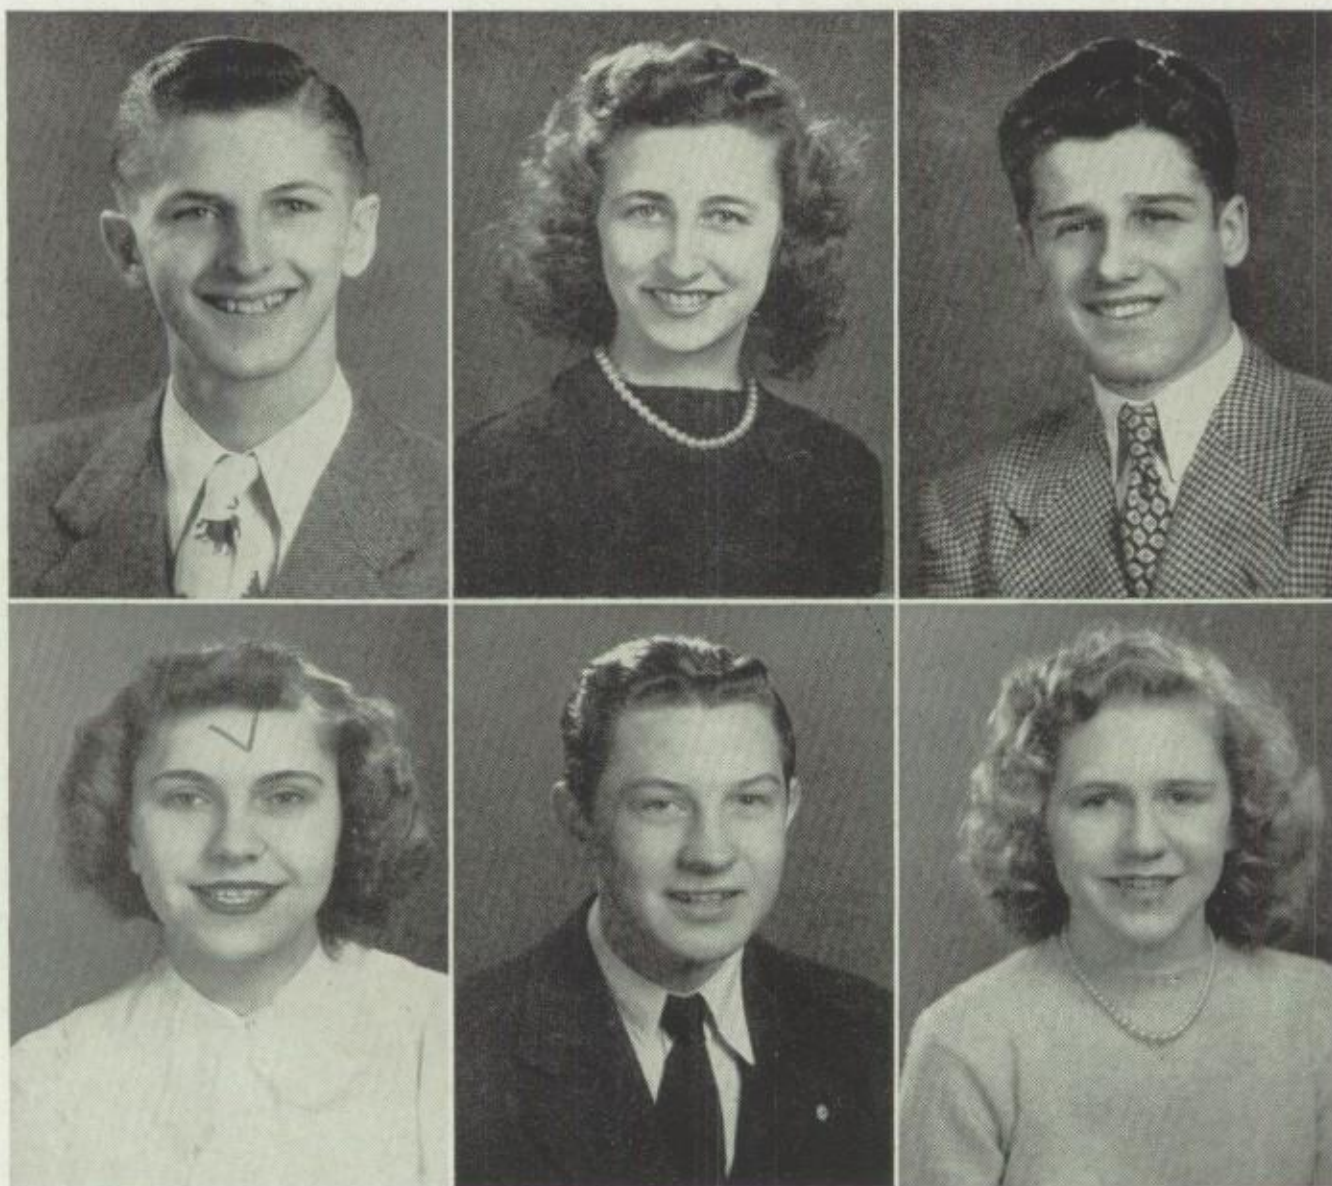

EDWARD R. SHEAFFER

"STACK"

"Mischievous is my middle name"

"Stack" hails from Mill Creek and takes those long bus rides daily. He is keenly interested in football and music. He is a great admirer of the fair sex and is popular with all from freshmen to senior.

JOSEPH SHANDOR

Commercial Course; Business Staff; Business Training Club 3-4; Glee Club 4.

ANDREW P. SNINSKY

"CHAMP"

"Be friendly and you will never want friends"

ALICE STABINGAS

"ALICE"

*"A serious girl with a purpose in life
She's a good worker too, and with good thoughts
she's rife"*

Academic Course; Glee Club 3-4; Alpha Delta Pi 3-4; Business Staff 4.

DANIEL STARVETSKY

"DANNY"

*"He travels by freight
Slow, sure, and nearly always late"*

Academic Course; Alpha Delta Pi 3; Baseball 1-2-3.

ANNA TIMKO

"TIMMY"

"Silence is golden"

RUSSELL TROUT

"BUTCH"

*"Happy am I, from care I'm free,
Why can't they all be contented like me?"*

Butch is a witty, friendly, and mischievous person. Known for his love of Spanish? ? ? Butch will never become an Ambassador of Good Will for our South American Neighbors. His executive traits earn him the name—the Mayor of the Town.

General Course; Football Manager 3; Basketball Manager 2.

EUGENE M. UHRIN

"GIGE"

"Fair in studies—but better in play"

"Gige" is another of the class nimrods. Hunting and fishing occupy most of his time. He makes and holds friends with little effort. His fun loving antics sometime cause his teachers some concern.

General Course.

FRANCES WAPINSKY

"FRANCES"

"Seek and you will find the world contains many joys"

Frances is never one to look on the dark side of things. She dances well and skips through life with the same ease she displays on the ball-room floor. Her ambitions will be realized no matter what her goal.

Academic Course; Glee Club 1-2-3-4; Business Staff 4; Alpha Delta Pi 3-4.

RONALD J. WEISS

"RONNIE"

"Wise to resolve, patient to perform"

Ronnie is a "sphinx" in talk, but on the pitching mound, his eloquence is great. A rugged southpaw, he just sails his fast one past opposing batters. We hope to ask him someday for world series tickets.

Academic Course; Baseball 3-4.

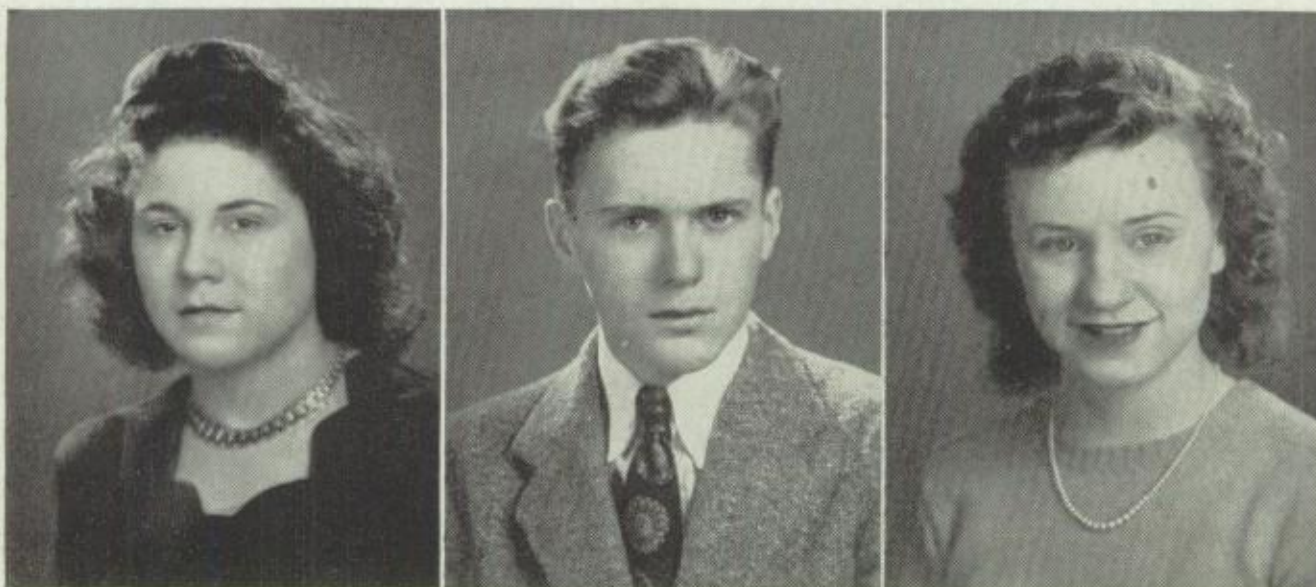

ROBERT F. WELLNER

"BOB"

"The world knows nothing of it's greatest men"

"Bob" is the tall, dignified, and well liked member of the class. His collection of swing records is his pride and joy. In the lead is Tommy Dorsey—Bob's favorite. His interest is in the field of engineering and we expect great things of him.

Academic Course; Alpha Delta Pi 3-4; Student Council 1-4; Prom Committee 3; Literary Staff 4.

ROSALIE WINISKO

"ROSE"

"A sweet personality goes a long way"

"Rose" light-hearted disposition has made her many friends. Dancing and skating are her main activities. We wish her luck and happiness in whatever work she chooses.

Commercial Course; Business Staff.

VINCENT N. YUTKO

"VINCE"

"Speech is great, but silence is greater"

Vince is the big butter and egg man of our group. He manages a vast poultry industry very nicely and finds time to indulge in his favorite recreation of bowling—in which sport he is quite proficient.

Academic Course; Glee Club 2-3-4.

JUSTINE J. ZULICK

"JESS"

*"Jess likes to rave and rant
To keep from talking, she simply can't"*

"Jess" is everything a blonde should be. She is witty, has a nice disposition and is well-known as captain of the cheerleaders. Anyone who meets this merry lass will not forget her.

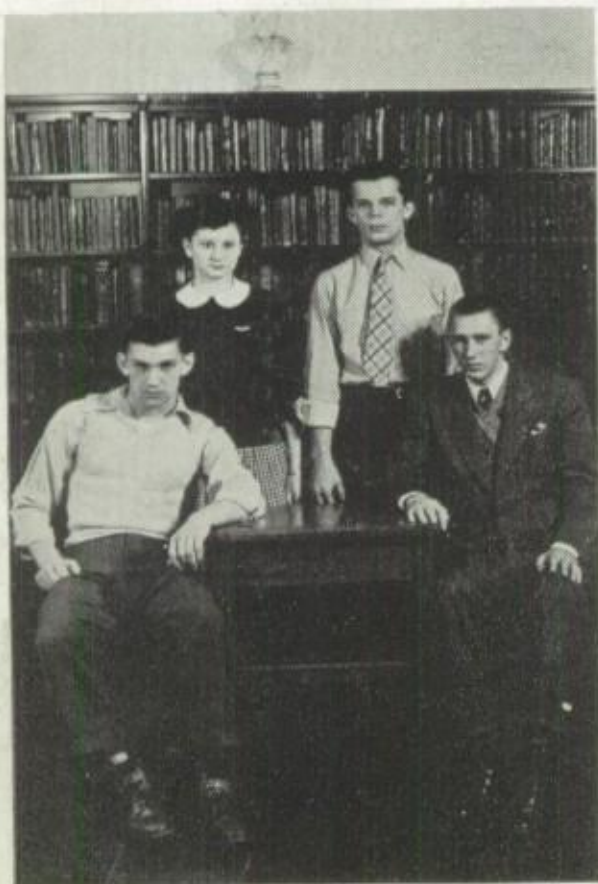

Commercial Course; Cheerleader 3-4; Business Training Club 3-4; Glee Club 1-2-3-4; Assistant Business Manager.

Class Song

Tune: "When Day Is Done"

We bid to you a fond adieu, Dear Saint Clair High.
Your teachings we will treasure as the years go by.
Fond memories of schoolmates, of friends and teachers too;
In future years we'll have no fears;
We've learned to live through knowing you!
With joy and gladness we will ever sing your praise
And hail our Alma Mater through endless days.
We'll strive for what is right and never be untrue,
As now we sing this farewell song to you.
We'll ne'er forget our Red and Blue in all our days,
We'll carry through with courage bold and find it pays.
"Live to Learn and Learn to Live" is what we aim to do.
We'll shoulder all our burdens and strive for a better world anew!
The time has come to say goodbye to Saint Clair High;
Though we must go our hearts will linger here.
And so we gather here the "Class of '46"
To bid farewell to Alma Mater Dear.

The Class of 1947 . . .

as sophomores, had our first formal organization. Being the climactic year of the war our extra curricular activities were limited which prevented us from formulating any plans in our Freshman year. We participated whole-heartedly and enthusiastically in all the drives and put forth our best efforts to be good citizens on the home front.

In the Fall, a class meeting was held in which officers were elected to lead us in this important Junior year. Other meetings were held to prepare for our big event of the year, the Junior Victory Prom. The auditorium was decorated with snow covered holly and ever-greens over which red and blue lights cast a cheerful glow. The music was furnished by Walter Cooper and His Music Makers. Much of the credit for the success of the Prom is due to our advisors, Miss Evans and Mr. Welker.

As we take the final step in our high school career, we realize a new meaning in our motto: "Be Rugged Though the Road Be Rough."

The Class of 1948 . . .

entered Saint Clair High School in the Fall of 1944. Our energy and our ambition to contribute to the advancement of S.C.H.S. in school affairs. By June the Class of 1948 had been recognized scholastically, socially and in sports.

Summer passed quickly and we returned in September refreshed and determined to surpass our Freshman record. The Township students who entered our class were a congenial group and we welcomed them.

Another year has passed and now, at the half-way mark we pause and, omitting the negative, review our accounts.

Scholastically—we not only conquered new and difficult subjects but took several changes of teachers in our stride.

Socially—our numerous social affairs were conducted by the various homeroom groups. All parties were supported enthusiastically and dances with refreshments were popular attractions.

Sports—our class was well represented in this phase of S.C.H.S. life. We are particularly proud of those boys who made the first string varsity in football and in basketball. The Class of '48 is also represented on the Jay-Vee teams and the substitutes' bench. Our class president is one of our Cheerleaders.

In all extra curricular activities, the Glee Clubs, the Band, school programs, members of our class have taken an active part.

When we return this September it will be to take our places "upstairs" and fulfill the pledge of our motto: "TODAY WE FOLLOW: TOMORROW WE LEAD."

The Class of 1949 . . .

in September, 1945, proudly joined the honored ranks of Saint Clair High School as the Freshman Class.

Timidity, tinged with bewilderment in our new environment, soon disappeared as we learned to know our teachers and school mates, under the friendly atmosphere afforded by our school activities—sports, assemblies, and dances.

Our motto, "Victory Is Ours Forever," reminds us that if our country would keep its high place as a leader of nations, in peace as in war, we must maintain a high standard of citizenship. By education only can this ideal be attained—the education of the heart, the head, and the hand.

As true American youth, let us, therefore, during our high school course, bend every effort toward the achievement of a fine education which will enable us to assume our responsibilities in our great Democracy.

Literary Staff . . .

To present a memory book for future years is the cherished objective of all Senior Classes. To present our High School Days so vividly that they will live forever is our earnest wish.

The task of compiling, editing and performing the myriad duties to publishing the Clairian falls upon the shoulders of the Literary Staff. To this end they have worked hard and if the Clairian reflects their earnest efforts their sponsors—the Class of 1946—will be repaid.

Alpha Delta Pi . . .

an honorary mathematical fraternity of St. Clair High School, was founded October 27, 1932 by Miss Phoebe C. Evans. The purpose of this fraternity is to promote interest in mathematics and to inspire high school students to better their scholastic standards.

Membership is granted to upper classmen who have attained an average of 85% or higher in mathematics. Those eligible are initiated and become full pledged members. At present the membership consists of 393.

The anniversary of the founding of Alpha Delta Pi in St. Clair High School was celebrated this year by a Dinner Dance held at the Necho Allen Hotel on February 21, 1946. Music was provided by Horace Richards and his Orchestra. For the first time in the history of Alpha Delta Pi, alumni members were invited to attend the celebration.

As a goal to achieve, Alpha Delta Pi offers awards to those members having the highest average in mathematics. The recipient of the honor last year was Eleanor Stebnicki.

formance between games. A praise-worthy sight was presented when it formed various letters, honoring the visiting team as well as our own team. The Drum Major, Majorettes, and Twirlers, with their bright costumes and extraordinary talent added color to the band.

To crown their excellent record this year, they have received a prize for being a "best-dressed band" in the Frackville Victory Parade.

The Orchestra is not quite as active as the Band, and its main task is to provide music for the graduation exercises. This it does with exceptional diligence. Due to the excellent direction of Professor Thomas L. Jennings and the cooperation of the members, the Instrumental Music Department may add another successful year to the many it already possesses.

The traditional Christmas Program, given in a setting reminiscent of that sacred day, is a feature that attracts hundreds of visitors. The candlelight service, the effective costuming and fine singing of the groups' tend to make this program live long in ones memory.

A choral ensemble was formed last year. They are much in demand at musical affairs and have presented programs in many county towns.

For the pleasure they have afforded us at assemblies and concerts, the Clairian offers its appreciation and best wishes for their continued success.

The Student Council . . .

with the interest of the pupils in mind, was reorganized at Saint Clair High School in 1933. It consists of eleven members, one elected from each home room, a President and Vice-President making it a representative body.

The Council sponsored a freshman party in September which welcomed the freshmen into the school.

Following this was the Hallowe'en Party in October, which proved to be the highlight of all our affairs.

The Council also conducts the Annual Spring Formal and numerous school dances throughout the school year.

In all the Student Council has a very decided effect on the moral of the school and should be highly complimented on its work.

Football . . .

Hats off to the 1945 football team! As head mentor, I can proudly relate that the team as a whole played outstandingly in all departments throughout the entire season. Confronted with the loss of experienced boys through graduation, the outlook appeared gloomy. This factor was offset by determination, cooperation, and the will to win, enabling the boys to complete the season in a blaze of glory.

The season opened with fifty-four candidates responding to the initial call. Most surprising fact was that a squad comprised of forty-eight boys finished the season. In all probability, this was the largest in the history of our school. Early practice sessions consisted mainly of conditioning drills, blackboard drills, and the fundamentals of the game. Later, a system was employed and the team, even in defeat, played outstanding football. After being defeated by such good teams as Pottsville, Minersville, Nesquehoning and Schuylkill Haven, we came back strong and administered defeat to Mahanoy Township and Frackville and played Ashland to a tie. Injuries in early season games handicapped us a great deal. Speed was a most important factor in all games, as we were outweighed by all opposition throughout the season.

There were many thrilling moments in the games played: The scoreless first half at Minersville; the victory over Mahanoy Township; the last quarter touchdown and sensational extra point against West Mahanoy Township and the winning of the game; the great defensive play and running attack at Frackville, enabling us to win by a wide margin; the late spurt at Ashland, forcing the game to end in a tie—all of which will never be forgotten.

To Mistishin, Mansell, Sheaffer, Miklochik, Antalosky, Resavage, Corby, Krolick, Covach and Romanko, my sincere wishes for future success and to the boys returning: "Let's carry on."

Yours truly,

CHARLES A. MILLER

Basketball . . .

The 1945-46 basketball season ended in a champion manner. When the season opened the team was confronted with a tough schedule, comprising schools with veteran material. Through the loss of the entire previous years team via graduation, a new group of boys had to mold themselves in varsity play.

During the first half of our schedule inexperience proved a major role with the boys losing close games, but gaining confidence with each game. Having won our initial game of the second half schedule we found ourselves and became a strong contender for the N. Schuylkill League Championship. We rocketed from last place to second and lost a play-off berth by a one point defeat.

Aside from league competition—we had exhibition contests with outstanding teams—Port Carbon, a first division team in the South Schuylkill League, Mahanoy City, runner-up in the Black Diamond League and Coal Township, champions of the Keystone League.

The prospects for next years team look very bright with such players as Buletza, Kellagher, Bramley, Love, Laurie, Johns, Kachek and Honicker returning.

Interest the past season was very high and all credit can be given to the boys. In victory or defeat they never gave up, but played a champions brand of basketball that augers well for the future.

Baseball . . .

The 1945 baseball season was not one of St. Clair's best. The team finished fourth, marking the first time they were lower than second in the N. S. League. At the outset hopes were high for a successful season, but unexpected losses in personnel caused serious weakness in key positions.

Most games were hard fought and were lost by narrow margins. Ronnie Weiss at Branch Township allowed only one hit yet lost the game 1-0, due to an untimely error. Such was the story in most of the contests.

There is a good nucleus returning for this season and with the valuable experience gained last year the Clairian looks forward to a typical St. Clair baseball team—among the leaders.

Joe Romanko and Ronnie Weiss showed up very well in the pitching mound. Johnny Antalosky, Joe Miklochik, and Bunno Goodman, divided the catching duties. Davey Resavage and Charles Corby provided the batting power and speed for the team. Tom Honas was signed to a professional contract for his fine hurling. These boys with Kachek, Bramley, Johns, Buletza, Wolff, Webb, Yanek, Brady, formed the squad. With most of them returning, plus the usual host of underclassmen, maybe the Saints will once more hit their stride.

Cheerleaders . . .

at every game—football, basketball, or baseball—could be seen in their colorful uniforms of red and blue. They were there to cheer the team on to victory or to keep up our spirits when things looked dark.

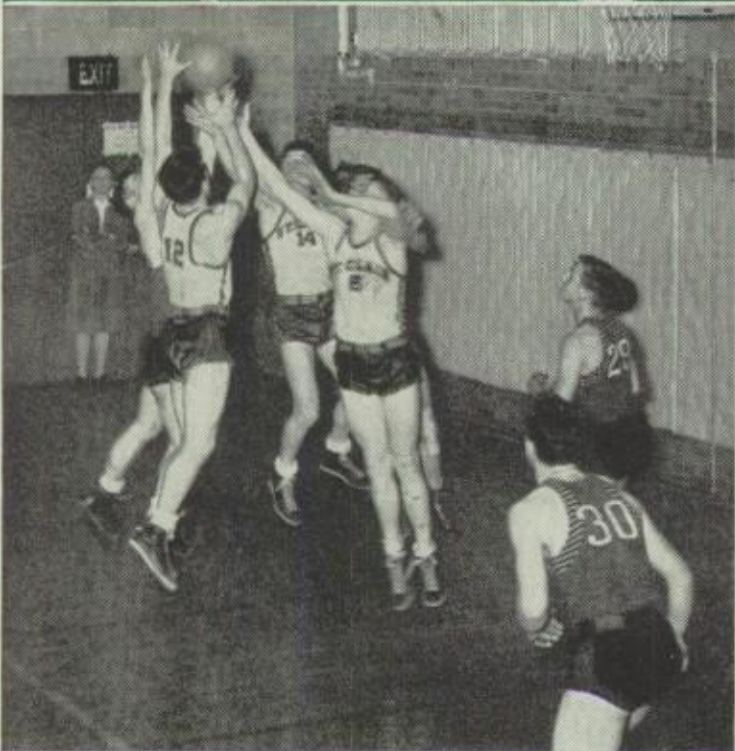

The exhibitions given by them at all games have often brought them praise and applause from both the opponents and home fans. This clever and peppy cheerleading would not have been attained without constant cooperation and practice.

The work done by this years cheerleading squad stands high among the activities of the school. They should be complimented for their splendid work.

To the new cheerleaders, who are yet to be chosen, we are certain you will carry on this team work and keep our spirits high both in victory and defeat.

Dear Katherine,

Remember your Junior year because next year is your last year in school. The times we had to gether. We really had swell times at the basketball games. We had our fun in Wellners also. After the games we had ice-cream and so on. We also had a crush on the same guy, but it was lucky that neither of us got that certain one for he wasn't worth it. We had our times together. Too bad we didn't go to baseball games together. But we didn't have a chance to go anyway because we had so much to do. You wore a flower in your hair when one was available which was often. Always neat + prim, that was you. Keep up the good work in your Senior year which I know will be successful and full of happiness. I will always admire you as an upper class man and one who was a Freshman was something of a feat. You were a very good child in grade also. We called you our star player in baseball which you were. Batting average was very good. You were really a help to the team that you played on for you made many hits + runs. Well success in your future years
Your friend
Pat
Helen
